Iringa International School follows the IB Primary Years Programme (PYP) for children aged 3-12. The culmination of the Primary Years Programme will be the PYP Exhibition in Class 6.

The middle school, classes 7 and 8, transition students from the PYP to the Cambridge IGCSE programme. Students follow the Key Stage 3 syllabi from the English National Curriculum and practice analytical test taking skills as well as continuing research, inquiry and thinking skills.

Standardized Testing

IIS has adopted the International Schools Assessment. This test of English and Mathematics is taken in February each year. IIS students in Class 5 and Class 8 will take these exams.
